LOUISA, KENTUCKY

TUSCOLA.
Since the rains the prospects for good crops are fine.
Some of our citizens are suffering with colds like winter grippe.
Messrs. Cyrus Webb and Chas. Rice made a business trip to Mayaville last week.
Some of our farmers have been setting their tobacco this wet weather. Plants are scarce.

The greatest wind and hail storm this section has had in a quarter of a century struck here about 12 o'clock Friday. Thousands of panels of fence were blown down, trees uprooted and twisted to pieces and vegetation cut up by the hailstones. Thousands of hailstones fell that were an inch or more in diameter and considerable damage was done. In looking over the desolation a few lines came to your re-

One Experience Convinced Me of its Value

"One of our salesmen demonstrated the value of the Long Distance Telephone to us. He was in Huntsville, Ala., and upon his own responsibility put in

Long Distance calls for fifteen merchants within a radius of several hundred miles.

"In less than one hour he had sold 2700 barrels of flour at a total cost to us of less than six dollars.

"Since then we have applied the Long Distance Bell Telephone to every feature of our business with most profitable results. The service is fine, the rates are reasonable and there is more satisfaction in one Long Distance Telephone talk than in half a dozen letters."

porter and he is penciling them down for you.
Don't give way to foolish sorrow; Let this keep you in good cheer; Brighter days will dawn to-morrow If we only persevere.
Longest nights will have a morning Though the sky be overcast; Longest lanes will have a turning And the tide will turn at last.
The Decoration exercises held at the Watson burial ground were superb. The Sunday school children acquitted themselves nicely and the addresses by Rev. Roland Hutchison and Eli Roberts were forceful, much to the point and well received by the large audience.
The splendid singing by the choir was no small part of the exercises.
A large number from a distance was present to place wreaths of beautiful flowers on the graves of ones they loved and of whom they cherished the memory.
LEM JUCKLENS.

CADMUS.

A PRETTY GIRL.

LIFT YOUR CORNS OFF WITH FINGERS

Tells how to loosen a tender corn or callous so it lifts out without pain.

You reckless men and women who are pestered with corns and who have at least once a week invited an awful death from lockjaw or blood poison are now told by a Cincinnati authority to use a drug called freezone, which the moment a few drops are applied to any corn or callous the soreness is relieved and soon the entire corn or callous, root and all, lifts off with fingers.

Freezone dries the moment it is applied, and simply shrivels the corn or callous without inflaming or even irritating the surrounding tissue or skin.

A small bottle of freezone will cost very little at any of the drug stores, but will positively rid one's feet of every hard or soft corn or hardened callous. If your druggist hasn't any freezone he can get it at any wholesale drug house for you.

BLAINE.

SNOKKS.

WEBBVILLE.

Our community was made very sad Friday, June 1, by the announcement that Eliza Green Holbrook of Blaine had been found dead in the kitchen of her home. The cause of her death was lightning, but the shock was not noticed by any of the others in the home. She was a noble christian woman, very much loved wherever she lived. The

Everywhere under the sun—
wherever roofs are laid—
Certain-teed stands for these two things:

Efficiency Economy

CERTAIN-TEED roofing is the most efficient and economical type of roof for factories, office buildings, farm buildings, garages, etc., because the first cost is less than that of metal, wood shingles, or tar and gravel. This is particularly so now, because of the present high prices of some of the materials. **CERTAIN-TEED** costs less to lay than any other kind of roof. It will not rust, is not affected by fumes, gases and acids, coal smoke, etc.; it is light weight and fire retardant. Every rain washes it clean; and it does not melt or run under the hot rays of the sun, nor can it clog gutters and down spouts.

Certain-teed Roofing

Is the best quality of prepared roofing. It pays to get the best. The only difference between the first cost of a good roof and a poor one is in the materials—the labor, freight, etc., costs the same in both. As **CERTAIN-TEED** Roofing is guaranteed for 5, 10 or 15 years according to thickness (1, 2 or 3 ply) it will be in splendid condition years after a poor quality roof has to be replaced.

For residences, Slate Surfaced Asphalt Shingles have all the advantages of **CERTAIN-TEED** Roofing, plus artistic beauty; not bulky, and are uniform in weight, quality and appearance. They need no paint, are pliable, eliminate waste and misfits, cannot curl, buckle, rot or crack. Guaranteed for ten years. Investigate **CERTAIN-TEED** before deciding on any type of roof. For sale by dealers everywhere.

Certain-teed Paints and Varnishes

are good, reliable products made by experienced paint men, who have at their command all the machinery, equipment, materials and resources necessary to manufacture good paints and varnishes economically—as well as the extensive selling organization and warehouse system of the Certain-teed Products Corporation, which materially reduces marketing costs. Guaranteed to give satisfaction.
It will pay you to see that you get **CERTAIN-TEED** Paints and Varnishes. Any good dealer can sell them to you or get them for you.

LOUISA HARDWARE COMPANY, LOUISA, KENTUCKY

funeral was preached in the church here by Bro. Hewlett of Louisa after which the body was laid to rest by that of her first husband, Chas. Green. The floral offerings were very beautiful, the star from the O. E. S. of which she was a member, the wreath from her Sunday school class and many from friends showed the love of all for her. Some of those who attended the funeral of Mrs. Holbrook were her sister, Mrs. Burch, of Columbus, O., brother Joe Webb of Denton, the Misses Fischer, of Ashland, John Gartin and sons of Louisa, Chas. Berry and wife of Blaine, Mrs. Sallie W. Gardner went to Blaine Friday.
